ECOVIN

Zertifikat

We certify that the following wine estate/winery

kontrollierte ökologische Qualität

Weingut Ökonomierat Lind
Rüdiger Lind
Hauptstraße 56 | 76865 Rohrbach

bearing the inspection number: DE-RP-039-3040-ABOD

is a member of ECOVIN Bundesverband Ökologischer Weinbau e.V. (ECOVIN National Association of Ecological Viticulture) and therefore subject to regular inspections.

Based on an inspection in 2014, the above-named enterprise has fulfilled its contractual agreements with ECOVIN and is in compliance with ECOVIN guidelines.

The following EU-accredited inspection board carried out the inspection:
Gesellschaft für Ressourcenschutz mbH, Göttingen
Code number: DE-ÖKO-039

As such, the wine estate/winery is entitled to use the ECOVIN trademark to identify and label its grapes, wines, sparkling wines, grape juices, wine brandies and vinegars that are ecologically produced and subject to ECOVIN inspection procedures.

Oppenheim, 13 April 2016

i. A. Bettina Bertram

This certificate is valid until certification of compliance in 2015 or through 31 December 2015 at the latest, provided that the wine estate/winery continues to submit to regular inspections and comply with ECOVIN guidelines, and that it does not violate the conditions of Council Regulation (EWG) no. 834/2007 and the Council Regulation (EWG) 889/2008 on organic agriculture.
